Ms. Deirdre Dessingue  
Associate General Counsel  
United States Conference  
of Catholic Bishops  
3211 4<sup>th</sup> Street, N.E.  
Washington, D.C. 20017-1194

Dear Ms. Dessingue:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory 1946*, are entitled to exemption from federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

*The Official Catholic Directory* for 2008 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 2008 are exempt from federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers or gifts to them or for their use are deductible for federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

Ms. Deirdre Dessingue

Beginning January 1, 1984, unless specifically excepted, you and your subordinates must pay tax under the Federal Insurance Contributions Act (Social Security taxes) for each employee who is paid \$100 or more in a calendar year, as indexed for inflation. You and your subordinates are not liable for the tax under the Federal Unemployment Tax Act (FUTA).

By May 31, 2009, please send three (3) copies of *The Official Catholic Directory* for 2009 to IRS TE/GE in Cincinnati; one copy to the Processing Campus in Ogden; two copies each to the EO Area Managers in Newark, Brooklyn, Chicago, St. Paul, Atlanta, Los Angeles, the IRS National Headquarters and the Director, EO Examinations, Dallas.

The conditions concerning the retention of your group exemption as set forth in our previous determination letter of August 17, 1983, remain in full force and effect.

Sincerely,

A handwritten signature in cursive script that reads "James Blair".
